Mesh Partition System

An ideal solution for when a high-quality, cost-effective mesh partitioning system is required to separate work or storage areas.

Key Benefits

- Can be used for a wide range of applications
- Configurations made to your requirements
- Adaptable & relocatable
- Range of access & door options
- Quick & easy installation
- Durable
- Secure

SPECIFICATIONS:

Frame is constructed from 43mm x 43mm angle steel.

Mesh available in 25mm x 25mm x 3mm & 50mm x 50mm x 3mm apertures.

Choice of powder-coated and galvanised finishes.

Demountable and relocatable.

Mesh ceiling solutions are available to complement our partitioning.

STANDARD PANEL SIZES:

Height 2,400, 2,700, 3,000 mm.

Width 1,000 mm.

A range of infill and special-sized panels can be supplied to achieve the final dimensions.

Side-hung and sliding door options available.
